Objective

To obtain a position that deals in all aspects of Web Application Development and Design, providing the opportunity to focus on Mobile Application Development, in a challenging work environment.

Experience

Web Developer

MEdTech Unit at Queen's University, Kingston ON

May 2011 – present

- Headed Mobile Application Development for multiple platforms, including iOS, Blackberry and Android, using the PhoneGap framework, jQueryMobile, JavaScript, PHP, MySQL, HTML and CSS.
- Migrated MySQL databases to SQLite databases in order to optimize web applications for Mobile Development.
- Aided in relational database management by creating or altering database tables using MySQL, in order to meet the requirements of new web application features.
- Developed, tested and deployed new web application features, using a host of web technologies including HTML, CSS, PHP, JavaScript and MySQL.
- Developed multiple Wordpress themes for the Dean on Campus blog to match the look and feel of current website templates.
- Created HTML templates for the School of Nursing and the School of Rehabilitation Therapy to aid with the implementation of each school's new website themes.
- Developed and designed joshdillon.me, a personal portfolio website built on the blueprint CSS framework, HTML, CSS3, PHP and JavaScript. It was designed using Photoshop, coded with valid, semantic HTML and is visually consistent across major browser platforms.

Connection Center Associate

Wal-Mart, Kingston ON

August 2008 – May 2011

Team Leader

Tim Hortons, Brockville ON

July 2005 – July 2008

Relevant Skills

- Proficient with several web technologies, such as HTML, CSS, PHP, JavaScript and MySQL.
- Experience using frameworks such as jQueryMobile and PhoneGap for mobile application development across multiple platforms.
- Able to work efficiently in a self motivated work environment, or as a member of team.
- An eagerness to pursue and learn the latest industry technologies in order to maintain a relevant skill set.
- Punctual, reliable and hard working.
